DETAILED ACTION

The reply filed on 1/4/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant provided a substitute specification based upon the German priority document. A new oath or declaration is required signed by the inventors because the subject matter now presented deviates completely from the originally presented specification and claims. The oath or declaration must state that the inventors have reviewed and understands the newly translated substitute specification and claims and that any errors which have occurred was without "deceptive intent". Applicant must also provide the fees based upon 18 claims rather than the originally presented 6 claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
